Educational Discount Program

Educational Partnership Discount Program

Investing in the Education and Training of Future Technicians

Zebra Instruments™ was founded by a service technician and strives to provide quality tools and electrical accessories at affordable prices. We value the education and schooling of future technicians with quality tools; therefore, *Zebra Instruments™* offers exclusive discounts to schools and students.

Program Details

20% discount to wholesalers and stocking distributors on all Zebra Instruments products when the following guidelines are met:

- Discount available on orders sold to qualifying schools and registered students.
- Qualifying schools offer HVAC/R license and certification programs at the secondary or post-secondary level.
- Students must show a valid and current student ID or local form of identification connecting them with a qualifying program.

Obtain Zebra Instruments™ Educational Discount using one of two methods:

- When submitting restocking Purchase Order, indicate "Educational Discount" and identify which SKUs were part of an educational sale. Send with PO a copy of the proof-of-sale and student credentials.
- Keep a record of your Zebra Instruments Educational Partnership Discount Program sales and submit a monthly report. This report must come with proof-of-sales and student credentials. A credit memo will be issued with the total discount amount.

***Limit of one (1) of any SKU per student.**
